

3D Archery Association of Australia

CROSSBOW POLICY

Effective from 1/7/2017

PREFACE

It gives me great pleasure to introduce you to 3D Archery Association of Australia Crossbow Policy.

The 3D Archery Association of Australia Inc is fast becoming one of the countries most professional Archery sporting organisations. This is an exciting and challenging time for the organisation as we position ourselves towards delivering professional policies and improved services that offer the athlete more opportunities within 3D Archery.

The Crossbow Policy is another of 3DAAA's policies developed to protect the organisation and the member while enhancing the association's core function. I am confident that with further policy developments and relationships with other stakeholders, that 3DAAA will continue to develop strong sporting culture aimed at 3D Archery.

Yours in Archery

Mike Elvin
President
3D Archery Association of Australia Inc.
