AGM 2022 - 2023 Annual Report QLD Range Setters Report – Ian Ferguson

RANGE SETTER REPORT

July 2023 AGM

Due to the short time frame between AGM's I have only run two course setting courses this year in Qld. The first one at Caboolture was attended with 7 participants. The following one at North Albert Field Archers was also extended to invite participants from Northern Rivers Field Archers. Only two attended from NRFA but was well attended by those from NAFA by new members that were very enthusiastic and committed to our sport. More experience is required by those at NAFA and there will be some terrific course setters in the future.

Regards,

Ian Ferguson
