AGM 2022 - 2023 Annual Report Vice President Report – Troy Carter

It has been a shorter year due to the last AGM being held at 2022 Nationals with a few new members on the committee including myself.

I have enjoyed working with the current committee and look forward to working with the upcoming future committee.

2023 3DAAA has been off to a good start shooting wise after some less than ideal calendar issues due to recent Covid restrictions of past years.

Thankfully those days are behind us and now we may only have to deal with Mother Nature as a hurdle in our upcoming shoots.

It's been great getting to most shoots on the calendar, meeting and talking with all our members and discussing their ideas and concerns.

Believe me these are all taken onboard and considered and taken to our meetings. I have received some great ideas from our members that I plan on tabling to the committee.

I have enjoyed the role as Vice President and have nominated for the vacant position of President at the upcoming AGM.

Looking forward to the next 12 months representing all of our 3DAAA members in whichever capacity.

Regards,

Troy Carther
Vice President 3DAAA
