CLUB: \_\_\_\_\_ EVENT: \_\_\_\_\_

DATE: \_\_\_\_\_ TIME: \_\_\_\_\_

The five competitors listed below, by way of their name and membership number wish to raise a concern regarding the safety of themselves and their fellow competitors, if this Tournament is to go ahead under the current conditions.

**Note:** This request only becomes actionable if signed by 5 adult competitors. To ensure an unbiased view or the raising of vexatious claims, at least 3 of the signatories must not be related to each other.

This form is only to be used when genuine safety concerns arise at an event. Lodging frivolous claims will be regarded as “un-sportsman like behaviour” and dealt with under the Rules for Shoot.

### NATURE OF CONCERN:

Once completed correctly, this form must be passed to a Tournament Official of the host club, so that action can be taken to resolve the safety issue/s raised where possible or cancel the tournament in whole or in part if deemed appropriate.

**Note:** Where possible, entire events cancelled because of weather conditions will be rescheduled by the Tournament Director, at the request of the club. For events held “off club grounds” no refunds for nominations will be returned to the competitors. For on club events the club may either refund the entrance fees or provide free entry to the re-scheduled event. If a particular range is considered unsafe and resolving the issue results in a material change to it, then it must be deleted from the competition.

Where 1 day of the competition is cancelled, the tournament can proceed on the results of the remaining day. Shooter of the Year points and State Series points will still be awarded under these circumstances.
