ARCHERY ALLIANCE OF AUSTRALIA

AGM 2018 - 2019 Annual Report Score Recorder

Grant Elsley

The role of score recording has not changed a lot over the past few years that I have been doing this job.

The usual tasks are as follows

- Collate all the sanctioned shoot results which includes Individual results, Team results, records shot, shoot numbers which is sorted into classes working out averages in each state and nationally to help the committee to look at areas that need attention etc
- Shooter of the year results
- State series results
- Uploading results onto the 3DAAA website in a reasonable time frame
- Ensuring the scoring laptops and printers are updated and at shoots
- Assist with scoring at sanctioned shoots that I am in attendance at
- Arrange pre nominations for Indoor Nationals and Outdoor Nationals
- Arrange trophies for the annual presentation night
- Upload shoot stories and send to Archery Action for printing

Things that have changed in the past 12 months

- Working with other committee members in developing the new 3DAAA website.
- Designed and purchased belt buckles for State Champions, saving State title host clubs purchasing 1st place trophies.

Regards

Grant Elsley
