## Victorian Liaison Officer Report 2017

July 2016 to June 2017

Victoria continues to run 6 Sanctioned Events across 3 clubs

Diamond Valley Archers Inc  
Mornington Peninsula Bowmen  
Twin City Archers

These shoots attract 30 archers on average at each sanctioned shoot.

Out of 16 Events run by the Association in 2016 6 Events were managed in Victoria (excluding Special Events, the Nationals and the National Indoors) – this represent 37% of the events run in 2016 across the associations affiliated clubs.

In addition to this the National Indoors are run between two clubs  
Diamond Valley Archers Inc  
Twin City Archers

Victorian, clubs work well with one another as we have to travel a minimum of 1.5 to 2.0 hrs between clubs.

Victoria

In 2017 has started a one series to introduce new archers to the sport.

Our intention is to run these in-between the sanctioned events and encourage new archer and members to attend the 2 day sanctioned events.

For this year in 2017 – Diamond Valley Archers will pilot this and in 2018 the other two clubs will join in to run events on their grounds.

Initially this will put the bulk of the work, and target damage/repair as well as other associated costs with Diamond Valley Archers – the clubs management is behind this process to help grow 3D in the state of Victoria.

Once again in 2017 between the 3 clubs in Victoria we will manage 6 Sanctioned Events out of 17 in the National Calendar (excluding Special Events, the Nationals and the National Indoors).

Cordell McGuire.
